

The background is a vibrant, abstract composition of warm colors: a large orange-red area at the top, a teal-blue area in the middle, and a darker orange-red area at the bottom. Three dice are scattered across the scene. The top die is yellow with red pips on its top and purple pips on its side. The middle die is yellow with two red pips on its front face. The bottom die is yellow with red pips on its front and purple pips on its side. Black triangular shapes are scattered around the dice. The text is overlaid on the teal-blue area.
