INFO@KINGFIELD.ORG / WWW.KINGFIELD.ORG / 612.823.5980

**Little Libraries** are birdhouse-like houses on private property, built and maintained by homeowners, called "Stewards". The Stewards care for the Libraries and support the mission of promoting literacy and creativity, and building a greater sense of community. Started in 2009 in Hudson Wisconsin, just five years later there are now over 16,000 registered Little Libraries. Find a book, leave a book, trade a book...these Little Libraries are open to you to visit any time you are passing by!
